

Republic of the Philippines
Office of the President
Philippine Sports Commission

Dear

In line with the commitment of the Commission to develop and promote sports through encouraging sports programs to foster self-discipline, teamwork, and excellence for the development of a healthy citizenry, we are set to hold the **BATANG PINOY - MINDANAO GAMES** on **6-12 March 2018** in Oroquieta City, Misamis Occidental.

Batang Pinoy is the national competition program for the Filipino Youth aged 15 years old and below. The program encourages all local government executives to invest in the development of sports within their respective areas. It also aims to widen the base to select potential athletes for future national and international sports competitions, primarily the quadrennial Youth Olympic Games (YOG).
