The BAC Chair before proceeding with the Opening of Bids, acknowledges the presence of the Members of the BAC, the BAC Secretariat, the Technical Working Group, Procurement Head, COA Representative and the End User. The Philippine Chamber of Commerce, Inc (PCCI) and Philippine Institute for Supply Management (PISM) were duly notified and invited to observe the conduct of the Opening of Bids but no representative were sent. The said project was posted at the PSC, PhilGeps website and Manila Times on December 28, 2018.

During the Opening of Bids on January 21, 2019, lone bidder New Star Sporting Goods has submitted its bid proposal but declared ineligible due to failure to conform with the Eligibility and Technical Requirements of the project specifically on item 135, Swimming Caps by their failure to indicate the quantity they are quoting for. New Star Sporting

Goods adjudged as ineligible and non-complying openly manifested their desire to submit Motion for Reconsideration and was given three (3) days or before January 24, 2019 at the close of office hours to file their MR. The BAC has timely received the Motion for Reconsideration of New Star Sporting Goods on January 21, 2019 afternoon and New Star Sporting Goods contends that it has inadvertently omitted the 600 pieces quantity for swimming caps but it was included in their bid prices and bid form. After careful deliberation, the BAC has considered and granted the New Star Sporting Goods' Motion for Reconsideration.

With the approval for New Star Sporting Goods' Motion for Reconsideration and the resumption of Opening of Bids for the project was scheduled on January 23, 2019.

Having bidder eligible and complying with the Eligibility and Technical Documentary requirements, the BAC Chair proceeded to open the bidder's financial envelope and this resulted in the following:

Checklist for Financial Envelop Requirements for the BAC	
1. Duly signed Bid Prices in the Bill of Quantities	Pass
2. Duly Signed Proposal/Bid Form	Pass (Bid amount is Php 57,572,260.00)
3. Recurring Maintenance Costs, if applicable (signed statement if not applicable);	Pass

New Star Sporting Goods was declared the bidder with the single responsive calculated bid. The BAC Chair however emphasized that the BAC is not automatically bound to award the contract to the eligible and complying bidder; it shall still be subject to post-qualification evaluation by the TWG.

Bidder with the lowest calculated bid shall be informed of the results after the post evaluation. The BAC Chair addressed appreciation of the lone bidder who participated in the bidding.

Having no more questions, discussions and clarifications made, the Opening of Bids was adjourned at 10:10 a.m.
