THE CITIZEN'S CHARTER

As Mandated by the Anti-Red Tape Authority

BACKGROUND AND LEGAL BASIS

The Constitution recognizes the indispensable role of the private sector, encourages private enterprise, and provides incentives for needed investments. Section 2 of RA 9485, as amended by RA 11032 or the "Ease of Doing Business and Efficient Government Service Delivery Act of 2018" specifically mandates the State to maintain a program for the adoption of simplified requirements and procedures that will reduce red tape and expedite business and nonbusiness related transactions in government.

The Anti-Red Tape Authority (ARTA) is mandated to implement various ease of doing business and anti-red tape reform initiatives aimed at improving the regulatory environment to be more conducive to business operations. Pursuant to RA No. 9485, the ARTA shall coordinate with all government offices in the review of existing laws and executive issuances, and recommend the repeal of the same if deemed outdated, redundant and adds undue regulatory burden to the transacting public.

In line with this, Section 3c, Rule IV of the Implementing Rules and Regulations of RA No 11032 requires all government agencies to review their respective Citizen's Charters, especially on the procedures, steps, processing time, documentary requirements and fees, with the end view of identifying and eliminating costly, redundant, unnecessary, ineffective and outdated regulations.

Accordingly, government agencies are required to provide the ARTA, copy furnished the Office of the President, with a Compliance Report on how their respective Citizen's Charters conform with the requirement of RA 9485. In particular, the Compliance Report shall contain the following:

- A. List of regulations issued by the covered agency that govern each type of service offered to the public;
- B. Particular steps or procedures, requirements and processing times necessary to be accomplished per service, as indicated in the agency's revised/updated Citizen's Charter;
- C. The legal basis for each regulation, as well as the legal or policy justification for each step or procedure and requirement; and
- D. Relevant provisions of its Citizen's Charter which comply with RA No. 9485, as amended, especially on Section 5 (Reengineering of Systems and Procedures), Section 7 (Zero-Contact Policy), and Section 9 (Accessing Government Services) including the prescribed processing times and limitation on the number of signatories.
